**Western Integrated Ranch/  
Farm Education (WIRE)** is a Wyoming adaptation of the Texas Total Ranch Management course, all Extension interpretations of the integrated resource management concept. WIRE ([www.uwyo.edu/ag/agecon/wirepage.htm](http://www.uwyo.edu/ag/agecon/wirepage.htm)) stretches from Wyoming to Utah, Idaho, Montana and Saskatchewan. It is team-taught by Extension specialists who help participants look five, 10 and 15 years forward.
